

Additional requirements for Holders of Guest House Certificates

1. Vaccination

As from 01 October 2021, compulsory vaccination will be extended to all users of a guesthouse. In this respect, all members of management and staff as well as clients should be fully vaccinated with at least 2 doses of an approved vaccine at least 14 days before the start of operations and in the case of Janssen, one dose at least 28 days before the start of operations.

Please also note that:

- (i) a client who had previously been tested COVID-19 positive is eligible to book his/her stay in a guesthouse subject to documentary evidence that he/she has recovered from COVID-19 and thereafter has been vaccinated with one dose of an approved vaccine.
- (ii) clients under the age of 18 -
 - a. accompanying a vaccinated or unvaccinated adult will be subject to the same conditions applicable to the adult; and
 - b. travelling alone will be subject to the same conditions as a vaccinated adult.

2. Additional requirements

- (i) Clients coming from abroad proceeding to guesthouses will be required to undergo a PCR test at the airport on the day of their arrival and a self-administered test on day 5 of their stay.
- (ii) In suspected cases of COVID-19 among clients/staff or where a client is tested positive, the person should immediately be isolated in a designated room/area and the Ministry of Health and Wellness (MOHW) be informed of the suspected/positive case by calling on 8924 (Hotline). You should strictly comply with the instructions given by the MOHW during the phone call and the client be informed accordingly on the way forward.
- (iii) Based on the assessment of and instructions from the MOHW, the COVID positive client may be required to self-isolate or be admitted to either a treatment centre, a public hospital or a private clinic at his/her own cost.
- (iv) Regular inspections and monitoring visits will be carried out by the relevant authorities to ensure compliance with the sanitary protocols and requirements.
