

Additional requirements for Holders of Tourist Residence Certificate

1. All members of management and staff should be fully vaccinated with at least 2 doses of an approved vaccine at least 14 days before the start of operations and in the case of Janssen, one dose at least 28 days before the start of operations.
2. Vaccinated clients from abroad proceeding to Tourist Residences will be required to undergo a PCR test at the airport on the day of their arrival and a self-administered test on day 5 of their stay.
3. In suspected cases of COVID-19 among clients/staff or where a client is tested positive, the person should immediately be isolated in a designated room/area and the Ministry of Health and Wellness (MOHW) be informed of the suspected/positive case by calling on 8924 (Hotline). You should strictly comply with the instructions given by the MOHW during the phone call and the client be informed accordingly on the way forward.
4. Based on the assessment of and instructions from the MOHW, the COVID positive client may be required to self-isolate or be admitted to either a treatment centre, a public hospital or a private clinic at his/her own cost.
5. Regular inspections and monitoring visits will be carried out by the relevant authorities to ensure compliance with the sanitary protocols and requirements.
